

REMARKS

Claims 1-50 are pending in the present application.

The Examiner has required election in the present application between:

Group I, claims 1-42, drawn to a method for reproducing animation data using an enhanced navigation player, the method comprising 'receiving first graphic information comprising control data and animation data associated with audio/video (A/V) data read from a first source; extracting from the first graphic information, second and third graphic information; decoding the second and third graphic information into first and second image data, respectively; and reproducing at least one of the first and second image data in the form of animated images, based on the control data', classified in class 386, subclass 124; and

Group II, claims 43-50, drawn to an enhanced navigation medium comprising 'structural configuration for packaging the A/V and control data, wherein the structural configuration comprises a data frame comprising an MNG (Multimedia Network Graphics) file having animation information", classified in class 386, subclass 90..

For the purpose of examination of the present application, Applicants elect, without traverse, Group I, Claims 1-42.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Michael E. Monaco, Registration No. 52,041, at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.
